PROTECTING AND IMPROVING THE ENVIRONMENT

It's not just people that need homes. From bat boxes, bee and swift bricks, to the planting we choose and wildflower seeds we sow, new homes for birds, bugs, and bees are always part of our developments.

ENCOURAGING LOCAL SUPPORT

The tireless efforts of charities and community groups across our region help protect the vulnerable, bring people together and provide essential services to many. We are proud that the Denbury Charitable Fund has so far made over £1.6 million in donations and grants to help these inspiring organisations.

ENVIRONMENTS ENRICHED. COMMUNITIES ENHANCED
Our commitment to a sustainable future

Our homes are designed to blend seamlessly into existing towns and villages, but we know it's more than just houses that make somewhere a great place to live. Whether it's the layout of our developments, our attention to detail when it comes to planting and encouraging biodiversity or our support of local groups and charities, we are as committed as ever to creating a legacy that lasts for generations to come.

HELPING COMMUNITIES THRIVE

We carefully select the mix of homes for our developments. Different sizes and styles are chosen to meet local demand and establish a self-sustaining community. Footpaths, bike lanes and public open space all contribute to a safe and welcoming environment and help residents quickly settle in.

SMARTER HOMES IN TUNE WITH MODERN LIVING

Many of our homes have separate studies for homeworking, and all are connected to Ultrafast BT Fibre broadband. Air source heat pumps fuel underfloor heating and radiators and individual room thermostats help keep your bills down and your home comfortable. All homes are fitted with electric vehicle charging units.

SUPPORTING LOCAL TRADES, SKILLS AND BUSINESSES

Our East Anglian roots run deep so we always seek to support local businesses. Our developments create employment, help young people gain new skills and keep traditional building methods and skills in the limelight.
